

CanWah Workshop

Date: 21st June 2025

Speaker: Ms. Janet Lee & Ms. Nichole Chow

Overview: The Canva Poster Design Workshop was conducted to equip participants with practical design skills for effective visual communication. With 35 participants, the hands-on session introduced the fundamentals of poster design using Canva, covering layout, typography, colour selection, and brand consistency. Participants were guided through the design process and given the opportunity to create their own posters, enhancing both creativity and digital design confidence.
